# modern, european style

Kitchen Craft combines both its rich history and its fashion-forward approach to create lifestyle expressions for every budget. From trend-forward contemporary looks to today's top picks of modern traditionalism you'll appreciate the attention to detail Kitchen Craft has to offer.

Proudly Canadian. Kitchen Craft Cabinetry has been manufacturing cabinetry for more than 45 years in Canada. From our state-of-the-art facility located in Winnipeg, Manitoba, Kitchen Craft cabinets are sold in hundreds of dealers in Canada and the United States.

Guaranteed For Life. We stand behind the craftsmanship of each cabinet with a limited Lifetime Warranty. Rest assured, your investment is protected for as long as you own your home.

Part Of An Industry Leader. Kitchen Craft is part of the MasterBrand family, an industry leader that offers a breadth of quality cabinet brands. Since 1926, MasterBrand Cabinets has earned its reputation as a leading cabinet maker.

## wood styles

# door styles

What's your style? We make it simple to select from our impressive array of doors available in wood, melamine, mdf and acrylic. Choose a door first and the profile next. Arranged from plain to fancy, with partner drawer front options aside their standard, you'll find a beautiful mix of our value conscious Aurora doors along with the broad spectrum of Integra—making it easy to choose the right look for you!

helping save the environment

At Kitchen Craft, we strive to offer the world's most beautiful and quality-built cabinetry at a minimum impact for a better quality of life. To maintain this for today and future generations, Kitchen Craft has achieved certification in the Kitchen Cabinet Manufacturers Association's (KCMA) Environmental Stewardship Program. This ensures our product meets the lowest emission standards for better indoor air quality, employs the use of 100% recycled materials, sources hardwoods from credible sustainable foresters, and adopts a company-wide reduce and recycle program.

The wonderful versatility of frameless construction in a great variety of options. Kitchen Craft's tradition of construction excellence has always begun with the right materials, hinges that fit the needs of a modern lifestyle and designs that allow for full access. The features associated with our standard cabinet boxes (see below) assure a well constructed cabinet and respect any budget. What's more, several upgrades give you the freedom to add features as desired.

## box construction options

### **Standard Cabinet Box**

- European inspired full access frameless cabinet design
- Concealed 107 degree, 6-way adjustable clip-on hinges
- Integrated Smart Stop<sup>™</sup> soft-closing hinge for doors in Integra
- 5/8" thick furniture board cabinet sides
- Easy clean melamine cabinet interiors
- 5/8" thick horizontal crosspiece braces integrate sides to front and back of cabinet
- Full depth adjustable shelves
- 3/16" painted hardboard back

### Upgrades

- Plywood\* construction option 5/8" plywood-core board replaces 5/8" particleboard-core in all places where melamine is used in standard product line. 1/4" plywood-core board back.
- Natural maple interior option
- Optional 170 degree hinge
